## **The CURTIS & Co. Limited Edition Big Time ROYALE 45mm Automatic Timepiece**

All of us here at CURTIS & Co. say "Thank You" for becoming a part of our family and the owner of our Luxuriously styled and Superbly crafted timepieces.

We know that if you'll take good care of this amazing timepiece, your watch will take good care of you with years and years of enjoyment and trouble-free service.

There are a few things we'd like to tell you about your new watch.

### **The Big Time ROYALE 45mm Automatic Functions**

Your CURTIS & Co. BIG Time ROYALE Automatic Movement features the open view skeleton on front of the dial and also on the back case.

Your watch is powered by a Miyota 82S5 Automatic Movement with front and back view skeleton and is Water Resistant to 10 Atmospheres/100 Meters/330 Feet.

## **Here's How To Operate Your Big Time ROYALE Watch**

### **MIYOTA 82S5 AUTOMATIC MOVEMENT**

- A) DISPLAYS AND BUTTONS**
- B) WINDING THE MAINSPRING**
- C) SETTING THE TIME**

### **A) DISPLAYS AND BUTTONS**

**1st Click Position**

### **B) WINDING THE MAINSPRING**

Automatic winding watch can also be hand wound by turning the crown upward/clockwise in Normal position. Wind 5-7 times clockwise. It will start to move naturally with wrist motion.

### **C) SETTING THE TIME**

1. Gently pull the crown out to the 1st Click Position
2. Turn the crown to set hour and minute hands (always moving forward).
3. After the time has been set, push the crown back to the Normal position.

### **For Years Of Trouble-Free Service And Best Performance Follow These Tips:**

1. Always keep your Big Time ROYALE 45mm Automatic watch away from dirt, dust, moisture and high temperatures and magnetic fields.
2. Once a year, take your Big Time ROYALE 45mm Automatic watch to a jewelry or watch store to ensure your watch's components are lubricated and your watch's mechanism is free from dust, dirt and moisture.
